

Happy summer everyone!! Now....let's talk fall!

To get your team items by first date of play, remember to get your club order in by **JULY 1**.

Our goal is to get you everything you need by game time and the best shot we've got of making that happen is by receiving your order no later than the end of this month.

Orders will be processed based on your club's first date of play and product availability. You will receive an email to let you know when your order is in the works, and a shipping confirmation and tracking number will be sent when your order is out the door and on its way. Should there be an issue with any item in your order, we will contact you immediately and work with you to find a suitable solution.

It is important to note that orders cannot be expedited, so please, please, please (and pretty please with a cherry on top) get your orders in by **JULY 1**! We want to make sure every player on your team is outfitted and ready to go.

Not sure about sizes? Size charts for all items are located [here](#) under "*How do I know what size to order?*"

Also, keep in mind that any item personalized with a player name or number cannot be returned or exchanged, and there is an \$11.95 shipping charge on all orders. Finally, to ensure orders arrive in a timely manner, they will be delivered directly to customers' homes.

Any questions? Feel free to contact us at info@gazellesportssoccer.com. Otherwise, enjoy your summer (after your order is in, of course!)

Sincerely,

Your friends from Team Gazelle
